# Testimonial

- I sincerely request all the participants of Retreat 1 & 2 , that they should repeatedly keep on attending seminars for better understanding of Universal laws & clearing fundamentals , there by making one's journey towards enlightenment more comfortable. * Shri Dharmesh bhai makes all complicated things very simple and understandable with lots of examples. We can actually co-relate ourselves in his examples. He is so Simple and clear in his concepts that there is no disparity in his lifestyle & his teachings . Whenever I've listened him , always found new learning & magically this happens every time. He is perfectly playing the role of Friend , Philosopher & guide in our lives. He is always delivering his knowledge selflessly & with the same huge positive vibes that are efficient enough to change our lives. Hats off to Shri Dharmesh bhai. Waiting to attend ur next Seminars & Retreats.
